## Landscape Maintenance

Truly a full service company, we offer our clients a complete spectrum of services for both your business property and your personal residence.

Starting in the spring and continuing into the winter months, we provide prompt, professional services to fit your needs!

- Spring clean-up – bed edging
- Mulching and pre-emergence weed control
- Lawn Maintenance – weekly cut, trim & edge
- Bed Maintenance & shrubbery pruning
- Season flower plantings
- Complete Lawn Application program – fertilizer, weed & pest control
- Core Aeration & Overseeding
- Fall Leaf Clean-up
- Snow & De-icing service – 24/7

Please contact us for your personal quote, we strive to earn your business.
